## It Can Be Done

The ones who miss all the fun  
Are those who say, "It can't be done."  
In solemn pride they stand aloof  
And greet each venture with reproof.  
Had they the power they'd efface  
The history of the human race.  
We'd have no radio or motor cars,  
No street lit by electric stars;  
No telegraph nor telephone,  
We'd linger in the age of stone.  
The world would sleep if things were run  
By those who say, "It can't be done."

## MOON-CATCHIN' NET

I've made me a moon-  
catchin' net,  
And I'm goin' huntin'  
tonight,  
I'll run along swingin' it  
over my head,  
And grab for that big ball  
of light.

So tomorrow just look at  
the sky,  
And if there's no moon  
you can bet  
I've found what I sought  
and I finally caught  
The moon in my moon-  
catchin' net.

**Marie  
Avalos**

But if the moon's still  
shinin' there,  
Look close underneath  
and you'll get  
A clear look at me in the  
sky swingin' free  
With a star in my moon-  
catchin' net.
